Then you will put the City, State in the location you are searching. There are 3 ways to search.

1. Doctor Type (specialty) – Use this if you want a list of all providers that specialize in a field (e.g. PCP, Gynecologist, Pediatrics)
2. Doctor by Name – Use this if you have a certain provider that you want to see is in network.
3. Facility – Use this when looking up facilities that are in network.
