Concierge Matching Service

Matching you to an attorney that best fits your needs

Unique to LegalEASE, the concierge matching service solves issues members typically face when looking for the right attorney through the help of our advocates.

- Advocates possess experience that narrows down the type of attorney needed for your matter.
- Your advocate will connect you with an experienced attorney with expertise in your legal matter.
- You are introduced to the law firm by the advocate.
- Advocates follow up with you for the life of the case.
- Matching typically takes 2 business days or less.
- The referral is for an experienced, qualified and available in-network attorney local to your legal matter.
- You face less stress because you spend less time looking for an attorney.
